OFFICE 225 SOUTH MAIN STREET.

—FRIDAY NOV. 12, 1897.—

The Owensboro Messenger is booming Capt. W. T. Ellis for gubernatorial honors.

The Constitutional amendment, despite the very light vote, was happily defeated by 8000 majority.

The San Marco hotel, at St. Augustine, Fla., was burned this week. The fire was of incendiary origin.

The Democratic victory, the rain and the decrease of yellow fever were three blessings all crowded into one week. Bring on Thanksgiving.

The vote in the Second district was, Shackelford 15,566, Bailey 11,785, Parker 1,226 and Hindman 639. Democratic majority over all combined 1,896.

Theodore Durrant, the murderer of two young girls, will be hanged at San Francisco to-day after a long legal fight to save his neck.

Shackelford's plurality is 22,000, with eight or ten counties to hear from. He will have a majority of from 5000 to 8000 over all of his opponents.

Broncho Franks has at last ousted Yandell as Collector and has been appointed to the position he would have received at first but for the indictments against him. Yandell in a huff has returned to Marion and Will Feland, a very competent man, will furnish the efficiency of the Franks administration.

Dr. Hunter has at last been appointed Minister to Guatemala, a place that pays \$10,000 a year. He will leave for his post of duty within thirty days. Of course this will put an end to his contest for John Rhea's seat in Congress. By the way, the Third district this year gave a Democratic majority of 2,000, which indicates that it is Democratic to stay.

On another page we give the official vote for Christian county. The table of last week was substantially correct as far as it went. The official count added about twenty votes to the Republican ticket. The table includes the Crofton precinct where no legal election was held and this added from 65 to 70 votes to the Republican majorities. The total vote was 6,348, a falling off from last year of nearly 1,500 votes.

Senator Crenshaw's official majority in Hopkins county was 630 and Lun-ford's, including the illegal majority of 64 votes at West Crofton, was 572 in Christian. This left the district majority at 58 for Crenshaw in a total of something over 10,726 votes. This was pretty close clipping, but quite a comfortable margin when compared with some other majorities. For instance Senator Farris, of Lancaster, got in by only 29 votes in a district of four counties, and Representative Brown, of Hancock, had only 4, and Representative Letterle, of Louisville, only 3 majority.

The fact that Senator Lindsay's party in the next Legislature will be represented by a single member—Senator Park C. Smith—a hold-over Senator, has given rise to the rumor that Senator Lindsay will be asked to resign and return to the Democrat party the commission he holds from it. The Louisville Times' effort to dispendent says Senator Lindsay, or to resign because "he represents the majority of the having done our duty, and our political associates and un-procedure, the end of it is to a man can now foresee, they that which we very much fear, the the welfare of the country. But we are Democrats, and, nailing our the masthead of Honest Money, Trade and Home Rule, we shall the character of a private soldier the ranks contribute whatever we able to the ascertainment and vindication of Truth.

For the gentlemen who have by their victory confirmed their leadership, we entertain not the least ill-will. All the honors belonging to that leadership be theirs; and, let us add, all the responsibilities. If they continue to win victories, they will approve

To Cure Catarrh.

Do not depend upon snuffs, inhalants or other local applications. Catarrh is a constitutional disease, and can be successfully treated only by means of a constitutional remedy like Hood's Sarsaparilla, which thoroughly purifies the blood and removes the scrofulous taints which cause catarrh. The great number of testimonials from those who have been cured of catarrh by Hood's Sarsaparilla prove the unequalled power of this medicine to conquer this disease. If troubled with Catarrh give Hood's Sarsaparilla a fair trial at once.

The new General Council of Louisville was installed Tuesday night. Paul C. Barth was elected President of the Board of Aldermen; S. S. Blitt President of the Board of Councilmen; Charles C. Martin Clerk of the Board of Aldermen; W. M. Finley Clerk of the Board of Councilmen. City Assessor D. F. Murphy was unanimously re-elected.

John Phillips, a Bardonia saloon-keeper, was opening up his place when a man approached and aimed an umbrella at him. Phillips thought it was an enemy with whom he had recently had a difficulty. He fired and George Bradshaw, a friend, dropped.

The United States Supreme Court affirmed the lower court of California in refusing to grant a writ of habeas corpus to Theodore Durrant, under sentence of death for the murder of Blanche Lamont. Durrant will have to hang.

The Sinking Fund Board to-day elected F. I. Brocar, Republican, War-master to succeed Henry L. Kremer whose term expired three days before the Democrats will take charge next Tuesday.

Gov. Taylor of Tennessee declined to interfere with the sentence of Robert Sims, a negro, to be hanged at Jonesboro, November 17, for the murder of Walter Galloway, last July.

The Louisville Chief of police has detailed a policeman to watch the medical students and keep them from trying to flirt with the High School girls near by.
